

Waiting area for walkers or park/walk

Entrance gate to program

Marshall Rd

Morning Arrival

- **Active drop-off-** Enter the parking lot off Marshall Road, and pull up along the fence to the right-**please remain in your car**, and our staff will help your child out of their car seat and guide them to their group for check-in
- **Walking or Parking in Lot-** Please meet at the playground gate and wait on the grassy area to the left. Please supervise your child walking through the parking lot.
- Quick goodbyes are the easiest! If your child has separation anxiety, we invite you to call the office and check on them after the program begins- they often recover quickly once they are engaged in activities ☺

Dismissal

- **Active drop-off-** Enter the parking lot off Marshall Road, and pull up along the fence to the right-**please remain in your car**, and our staff will bring your child to the car and secure them in their seat. You will be given a car sign with your child's name, please display it on your front right dashboard at pick-up. Car seats are required for all children in our care.
- **Walking or Parking in Lot-** Please meet at the playground gate and wait on the grassy area to the left. Please supervise your child walking through the parking lot.

Please share this information with anyone who is dropping off or picking up your child.
